Schedule Title: Park and Outdoor Recreation Equipment

FSC Classes: 4520, 7192

Contract Number: GS-03F-009DA

Contract Beginning: October 30, 2015

For more than 30 years, our name—Jamestown Advanced Products—has been synonymous with quality.

Jamestown Advanced Products offers a full line of power outlets, grills, campfire rings, picnic tables, benches, dog park products, bike racks, trash receptacles and more. Our products can be personalized to fit their location with the use of our in-house laser.

We laid down our roots in Jamestown, New York in 1987, as a fabrication shop started by Jon Wehrenberg. Two years later, Jon's daughter Wendi Lodestro joined her father at Jamestown Advanced Products. In 1991, Wendi's husband Lee Lodestro signed on in an engineering capacity.

In 1994, Jon and his wife began touring the country, camping along the way. Throughout their travels, Jon began to note campground equipment that could be made at his Jamestown factory. In 1995, we began manufacturing a line of campground and park products.

In 1999, Wendi and Lee bought Jamestown Advanced Products, committed to helping her family's business after her parents retired. In the years since, sales and employment doubled. Led by Lee and Wendi, Jamestown Advanced Products prides itself on being a woman-owned, American-manufactured sheet metal fabricator. In addition to our park, recreation and campground equipment, we offer custom sheet and plate fabrications, and electrostatic powder coating services.

Our expertise in designing, welding and fabrication of steel products has enabled us to produce top-quality, American-made campground and park products that are extremely durable, yet competitively priced.

For more information, call 1-800-452-0639 or visit our website at:
